Mr. Roe will attend a meeting soon to finalize all details of how the alignment affects each sport as far as playoffs are concerned. With the changes to volleyball, Mr. Roe and Coach Mason were able to schedule a tournament to host at the end of the season, to make up games that will be needed.
 - 2. Policy on Kindergarten Testing – Mr. Cuckow explained that he was recently asked by a parent to modify our policy on the cutoff date to start Kindergarten (5 years old by June 1st). The parent has a child that will turn 5 during the first part of June. The parent stated that District 60 (Pueblo), has a cutoff date of October 1st. Mr. Cuckow researched their website, while on their webpage they declare the October 1st deadline, their actual policy states the cutoff date is June 1st but a student can start early if they are identified as a “highly advanced gifted student in accordance with applicable state law”. Mrs. Brewer is researching what assessment is given to determine a highly advanced gifted student. Mr. Berg stated that from his personal experience, he feels allowing our students to take an assessment can be beneficial. Mrs. Brewer explained that while she was a Kindergarten teacher she tested a student per the Superintendent's request and they did not pass. She stated that unfortunately, this created a hostile workplace for her as the parents worked for the district.
